Product and Issuer

Investors Fixed Accumulator is a single premium deferred annuity issued by Investors Life Insurance Company of North America (ILICNA), domiciled in Texas.

Guarantee Periods

Choice of 3, 4, 5, 6, or 7 year initial guarantee period.

Market Value Adjustment (MVA) Rider

Any partial withdrawal or surrender in excess of any free partial withdrawal permitted by the contract will be subject to a market value adjustment (MVA), in addition to any applicable surrender charge. The MVA may increase or decrease the surrender value. When interest rates and credit spreads decline, the MVA is generally a benefit to the customer. Not applicable to ages 96-100. The MVA Index is the US Corporate Investment Grade Bonds as published by Bloomberg.

Issue Ages

0 to 85

Contract Maturity

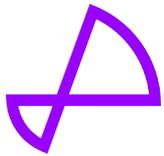

The contract matures at annuitant's age 100.

Single Premium

Minimum \$10,000 premium. Amounts over \$1,000,000 require prior Company approval.

Crediting Rates and Rate Lock

Crediting rates vary by product options selected. The guaranteed minimum interest rate is 1%. See agent portal for current rates. We will hold the rate for up to 60 days provided the full premium is received within the 60 days. We will generally apply the higher of the rate in effect on the date the contract is signed and the rate in effect on the date the contract is issued.

MYGGA

Free Partial Withdrawal

In each contract year after the first, policyholder may withdrawal up to 10% of the accumulation value without incurring a surrender charge.

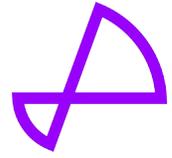

Free Look Period

Within 30 days from the delivery of the contract, it may be revoked on written request and a full refund issued.

Surrender Charge Schedule

Guarantee Period	1	2	3	4	5	6	7
3 Year Plan	9%	8%	7%				
4 Year Plan	9%	8%	7%	6%			
5 Year Plan	9%	8%	7%	6%	5%		
6 Year Plan	9%	8%	7%	6%	5%	4%	
7 Year Plan	9%	8%	7%	6%	5%	4%	3%

Subject to the exceptions stated in the contract, a surrender charge is applied according to the above table. Surrender charges not applicable ages 96-100. (Florida only: for an annuitant who is 65 or older on the Contract Date, there are no surrender charges or MVA after 10 years.)

End of Guarantee Period

There is a 30 day window prior to the end of each guarantee period when, without incurring a surrender charge or MVA, the owner may (a) surrender the contract, or (b) continue the contract and (i) begin a subsequent guarantee period on the next contract anniversary (either with or without taking a partial withdrawal) or (ii) begin a one year interest rate guarantee period on the next contract anniversary. If no election is made during this 30 day window, the contract will automatically begin a subsequent guarantee period.

Death Benefit

The death benefit payable to a beneficiary entitled to the death benefit proceeds is the Accumulation Value plus interest from date of death with no surrender charge or market value adjustment.

Suitability

A suitability questionnaire is required with every annuity application.

Training

Completion of our product training on the agent portal is required before you can solicit an application. No application will be accepted without such training. Some states require completion of additional training.
